Will - O- Wisp Newsletter

Happy Halloween!

Trick or Treat in Will-o-Wisp always is a busy night! Families throughout the Bailey area bring their trick or treaters to our neighborhood. Expect a large number of younger and older kids roaming our streets. Houses closest to the entrance typically see more activity than houses that are farther down. Trick or treaters begin arriving around 5:30pm and continue until about 8:30pm.

We have not heard definite plans from the Park County Sheriff's office, but anticipate that there will be a number of officers within the district to hand out candy, help with traffic control and help maintain a safe Halloween for everyone, just like in the past years. Please drive carefully within the neighborhood.

Trash - AGAIN!

Bears are very active and looking for food this time of year. There have been several complaints about trash items scattered around the neighborhood! All residents are responsible to pick up their trash and dispose of it properly. Keep our neighborhood clean!

Please be sure that your trash can is secured and do not put out your trash can until the morning of pick up. DO NOT FEED THE BEARS!!!
